

**5<sup>th</sup> Annual Global ETF Awards®  
Dinner and Workshop  
Hyatt Hotel, New York  
April 30, 2009**

**Conference Overview**

The 5<sup>th</sup> Annual ETF Global Awards® Dinner and Workshop will bring together leading industry experts to discuss the current ETF, ETC and ETN market place.

This timely half-day program will highlight key issues that industry participants and professionals can use to navigate through today's challenging global marketplace. The sessions will have in-depth panel discussions on topics such as:

- **The continued development of ETF, ETF-like vehicles and Indexes in the US and internationally.**
- **Markets in crises-the impact on indices**
- **An asset class to match every investment need**
- **ETF Option strategies**
- **Using leveraging effectively**
- **Portfolio Management in a volatile market**
- **Updates on Regulatory Developments**

Speakers will include participants from ETF, ETC and ETN sponsors, index issuers, financial and legal advisors, specialists and research analysts who will share their insights.
